### RECENT COACHING & TRAINING SUCCESSES

- ◆ After working with Wendy, a coaching client who was unhappy, unmotivated and stuck in his current role decided to go out on his own. He is now happier and more motivated than he has ever been in his career.
- ◆ Worked with a senior leader to help identify triggers that prevented him from being the leader he wanted to be and also caused him to waste precious time. He is now better at self-management and responding to his team and colleagues in a more effective and professional way.
- ◆ Delivered two workshops to a leadership team to help them realize the importance of Emotional Intelligence and identify specific strategies to help them increase self-awareness and empathy. Team is demonstrating greater collaboration and leadership skills.
- ◆ Coached a manager to be more collaborative and demonstrate greater effectiveness and confidence with the senior leadership team.
- ◆ Worked with a client who had a total lack of confidence in her abilities and was stuck in her business unable to move forward. By working with Wendy, she has developed the confidence she needed and her business has been thriving.
